FOUNDATION CLASS

THE NEXT AGILITY FOUNDATION COURSE WILL COMMENCE

1st February, 2020 at 12:45pm

And run on the following dates

1/2, 8/2, 22/2, 29/2, 7/3, 14/3, 4/4

This course covers the basic skills needed to start agility – bodywork for your dog and brainwork for you 😊.

It will also help you with your obedience training and building a good relationship with your dog.

It is important that you attend all classes if possible as new activities are introduced each week and your instructor may not be able to help you catch up.

You will also be expected to practice homework exercises regularly between classes and have access to the internet for information and fb contact.
