President's Report

Hello members, hope you are all well and enjoying your training. It's great to be back again after our 4th lockdown.

Saturday the 3rd of July saw our first club competition day in 2 years, and it was great to see so many of our new members having a go. Well done to all, and a big thank you to 4 legs our major sponsor for over 10 years.

Our presentation evening is going ahead this year and it's a very special one. It's our 30 year celebration and something to really look forward to. Just a reminder that this year will recognise titles from both 2020 and 2021. So when applying for your

title trophies, don't forget both years. Please see me in the kiosk to start your payment plan. For details see the add in this newsletter.

I'd like to take this opportunity to thank all our tireless volunteers who spend their Saturdays assisting with the running of the club. Your assistance is greatly appreciated.

Remember to dress warm for training and enjoy your dogs!

Club Competition Day 3/7/2021

For the first time in what felt like 10 years, we managed to hold our first Club Competition Day of 2021. The rain stayed away and COVID-19 lockdowns have moved to other states. Our Victorian restrictions allowed us to hold our FunDay. We had Agility and Flyball early in the day with competitions for beginners through to the trialling and team dogs for each sport.

Below are the 1,2,3 results fro the Obedience section for the day. Congratulations!

Agility News

Funday Results 3rd July, 2021

Our agility numbers have seriously diminished over the last 2 years, so it was pleasing to have 40 runs scheduled for this day. This was largely due to several handlers running 2 dogs. Our trainee judge, Darren Wallace, did a great job providing and judging some fun courses, ably mentored by Roger Padfield and Scott Fletcher. Thanks guys.

The weather was very cold but the sun shone most of the time and the forecast rain stayed away.

Volunteers Wanted!

FDOC is completely volunteer run. Everyone from the person that signed you up on your first day to the kiosk ladies to the instructors and everyone in between are volunteering their time for the greater good of the club. Thankyou to all our volunteers for the time and effort. We are always looking for volunteers to help at the club. Sometimes we need small things done, other times we need larger, more time consuming roles filled.

This year we have held 2 fundraising bbqs at Bunnings Carrum Downs. Thankyou to everyone that volunteered a few hours of their time to take a shift slinging snags. It was wonderful to see so many members volunteering to support these!

Can you help with any of the following?

Instructors! We are always looking for keen new instructors! We run an instructors course each year, if you're keen to get involved chat to Albert – our chief instructor!

Cleaners! Our clubrooms don't clean themselves. Can you donate some time to help keep our amazing facilities clean? If yes please chat to Kim in the kiosk!

Scanning in attendants! Can you help us to monitor the scanning in table. Our Covid Safe plan requires everyone to check in and we are responsible for monitoring this. If yes please chat to Kim in the kiosk!

Flyball News

The Flyballers have been have a blast over the past few months, training hard and having fun! Unfortunately there hasn't been much to report on the competition front! Keilor's competition was cancelled before it even began due to soggy grounds and Purely for Points was off the a great start until the weather pulled things to a screaming halt!

Purely for Points

Purely for points co-hosted by the Franskton and Berwick flyball teams was shaping up to be an epic day of racing. Teams from all over the state had assembled their national's teams in a sneak peak of what to expect in October in Canberra. The lightning bolts were undefeated having beaten the 2 top seeded teams in division 1 and running some great low 18 second times. The cyclones and blizzards were running beautifully in Division 3 and 4. The skys remained clear until lunchtime and we were hopeful of all logging times for Nationals, however the weather gods had other plans sending gale-force winds and icy rain our way after lunch. With safety always taking top priority the proverbial pin was pulled and everyone headed home.

Member's Comp

Our first members comp in what feels like an eternity sent a brilliant morning of racing our way. The team dogs were eager to be back racing and the beginner dogs gained their first experience of flyball racing

Congratulations to everyone on a brilliant effort! Regardless of whether your dog placed the dog/handlers teams were all brilliant!

VALE DAISY 01/04/2016 – 30/03/2022

One of my Avon customers told me that her daughter was looking for a new home for her dog Daisy, a sixteen-month old female chocolate Labrador, as she didn't have time to look after her so Daisy came for a play date with Chloe and never left.

I enrolled Daisy at Dog Club, where she hated obedience training. so I decided to try agility training at the Frankston Dog Obedience Club, where she could use her brain and all her energy, then I started tracking training with her. I also registered Daisy with Dogs Victoria and registered her name as Driving Miss Daisy.

Daisy and I had fun at tracking where she gained both her TD and TDX titles and some failures along the way. Daisy enjoyed her retirement with both Lucy and Sophie and then Daisy went downhill, so unfortunately 2 days before her 15th birthday Daisy gained her angel wings.

Daisy or Driving Miss Daisy may be gone but she will always be remembered and always in my heart.
